

My Personal Wants and Needs

The Best computer out there.

A computer is a want because you don't need one to survive.

A house/Shelter

Without shelter you will die.

A dog.

A dog is a want you don't need a pet.

Food/Water.

Without food or water you'll really die.

Iphone 7.

Even tho you say you can't live without a phone it's still a want. Because you can physically touch it.

Protein.

I need protein to keep me up and going and do my best.

Watches.

A watch is a want because you don't need to tell the time all the time to survive.

Clothes.

You can't go anywhere naked you'll get in trouble. And in the cold you need to stay warm.

Weight set.

Weight set is a want because I can just go to the YMCA

Education.

The Gov. Makes you go to school, so education is a need. Also to be able to get a job.
